

# drive less!

## *Did you know?*

If everyone at FSU drove one less mile a day, that would be equivalent to taking about 1,000 cars off the road for a year!

Consider using a different method of transportation to get to work one day a week

### Benefits of Alternative Transportation:

- cost savings
- time savings
- improved efficiency
- decreased emissions
- improved mobility
- better health (if walking, biking, etc.)

FSU has great commute options! Check out ZimRide, ZipCar, StarMetro, and Commuter Services for ideas.
