Before you go...

☐ Pull the plug
  • “Phantom Loads” add up fast and can account for 8% of energy use per year!
  • Unplug your: power strips, computer/monitor/printer/fax and copy machine, coffee makers, tea kettles, microwaves and appliances, lamps

☐ Shut your windows & close the blinds

Green your holiday...

☐ Re-imagine your gifts
  • Give experiences instead of “stuff”; donate to an organization in lieu of a gift

☐ Reusable bags aren’t just for the grocery store
  • Bring your own bags along for your holiday shopping

☐ Get creative with gift wrapping
  • Reuse magazines and newspapers to reduce paper waste
